### PRESIDENT'S PEN – Barclay McCort

This month has several upcoming events. February 4<sup>th</sup> is Legislative Day when all the Republican Women usually show up at the Capitol dressed in red to show their support for conservative legislators. This year with limited attendance to the Capitol there will be no red jackets but rather a limited number of women attending workshops offsite. The workshops will discuss how to navigate the legislative experience and how to testify, among other things. Then, February 25<sup>th</sup> is our local general meeting with Tom Maynard from the State Board of Education. The Board has had several interesting discussions of what to add to the curriculum. You will not want to miss this year's events. Two days later several of your Board members will attend a Leadership Workshop in Burnet. I hope all of you are staying safe and are signed up for the vaccine. This will be a brighter year! May God Bless you and God Bless Texas!

### **CHAPLAIN'S COLUMN – Janice Morin**

Dear God,

We pray for our nation and ask that you look down on us in pity and mercy. Forgive us how we have turned our backs on You in so many ways. Bring us back as a people who seek to follow the ways of justice and peace. Amen.

### **1<sup>ST</sup> VICE PRESIDENT – PROGRAMS – Shirley Stephenson**

Our February 25<sup>th</sup> luncheon speaker will be Tom Maynard, Chairman of the State Board of Education. He represents District 10 which covers all or portions of eighteen counties in Texas, including ours.

Tom Maynard was recently re-elected to his current position with the State Board of Education. As a former agriculture educator, he has also worked as a school board trustee and non-profit executive for over 30 years. He has earned national recognition for his service as the chief executive to the Texas FFA serving over 118,000 students on more than 1,000 Texas campuses. Under his leadership and using innovative technology, the FFA has doubled its membership.

Tom Maynard, a Republican, believes in accountability, transparency, local control, and a parent's right to direct the education of their child. He believes that our curriculum should be challenging, factual, created with input from stakeholders and should prepare our students for future success as citizens and leaders.

Please attend this important meeting, February 25<sup>th</sup> at 11:30 a.m. To reserve your spot, call Shirley Stephenson at (254) 338-5717 by February 22nd. Luncheon cost will be \$10 per person.

### **2<sup>ND</sup> VICE PRESIDENT OF MEMBERSHIP – Marjorie Hairston**

January will soon be over, and we are already thinking about the New Year's resolutions we made. I hope one of your resolutions was to renew your SARW membership for 2021. Renew now and enjoy the great upcoming programs SARW will offer this year. Remember, husbands and significant others can join as Associate members. With all the disastrous events of the past few months, we really need to show our continuing support for our Republican beliefs, be the cheerleaders and supporters of our elected local and national GOP representatives, and reiterate our desire and efforts to be good citizens to all we meet through community service projects. However, we cannot do this without your support. Since COVID has cancelled and/or changed many events, we need you to please renew your 2021 membership. We have received several new members, to include:

- Sue Barnes
- Karin Borman-Berg
- Allison Farrow
- Beverly Gillaspie
- Jeff Howard
- Brenda Keller
- Linda Wright

### **3<sup>RD</sup> VICE PRESIDENT OF FUNDRAISING – Sherril Gardipee**

Our fundraising committee is preparing for our annual Fine China Luncheon this year to be held in June, so hopefully more people will be able to attend. Mark your calendar for Tuesday, June 8th at Tenroc Ranch, Blue Heron Room. Our goal is to have 25 hostesses who will sponsor a table for 6-8 guests. Even though June is a couple months away, please consider being a hostess. As a hostess, you are responsible for your table decor to include dishes and utensils. However, you are NOT responsible for selling tickets, but you can reserve tickets for yourself and friends. As for entertainment, plans are in the works to have a small style show! In the past, this has always been a long awaited and fun event. I am sure you will want to be a part of this year's gala! So, stay tuned for more information and contact me about your willingness to hostess a table, help out with the silent auction or style show. Your help and participation are greatly welcome and appreciated! You can contact me at 254-760-5738 or [sherril.gardipee@gmail.com](mailto:sherril.gardipee@gmail.com)

### **CAMPAIGN ACTIVITIES – Brenda Howard**

We recently completed our Campaign Activities Training with TFRW. The good news is that SARW is doing an excellent job reporting hours and has never missed any reporting period. The better news is that we can always improve and our goal is to have 100% reporting from all members!

Use a paper calendar, form or whatever you need to keep track of your hours and keep a monthly total handy so that when we report our quarterly hours, you'll be able to send the totals to me promptly. If you have any questions about campaign hours or community hours, feel free to contact me at [brendaghoward@protonmail.com](mailto:brendaghoward@protonmail.com) Thanks again for all your hard work in the community!

## **LEGISLATIVE UPDATE – Barclay McCort**

### **Legislative News from D.C.**

President Donald Trump, in mid-January, signed a presidential memorandum that seeks to secure U.S. government-supported research and development (R&D) against interference and exploitation by foreign powers. Trump’s action seeks to enhance protections for United States R&D efforts, given their open and collaborative nature, and in light of their importance to national security and in keeping the country economically competitive, the White House Press Secretary announced in a recent statement.

*“The memorandum “ensures that Government-supported research can occur in an open environment and foster new discoveries for the benefit of our Nation while also protecting intellectual capital, discouraging research misappropriation, and ensuring the responsible management of United States taxpayer dollars.” **The Epoch Times by Tom Ozimek***

### **Legislative News from TEXAS**

Last July delegates to the State Republican Party of Texas voted on eight Legislative Priorities they want to see passed in the upcoming session. These priorities are:

- **Religious Freedom;**
- **Children and Gender Modification;**
- **Abolition of Abortion;**
- **Monument Protection;**
- **School Choice for All;**
- **Ban Taxpayer-Funded Lobbying.**

I hope you are following along to see what bills get to the floor for a vote. To follow our Texas Legislature’s actions go to:
