PRESIDENT'S PEN

This is my favorite time of year. Spring has sprung and Easter is a time of celebration! I hope your heart is filled with joy. As we enter this season, we are sprinting towards the finish of the 88th Legislative Session.

I have been going to Austin and speaking with Legislators since January and will keep working to make sure that I advocate for our priority bills as they go across the finish line. This has been a learning experience and one filled with great memories. I have met so many wonderful people and had so many thoughtful conversations. One thing I know for sure, we all want Texas to be the best State it can be, but we don't always agree on how to make that happen.

Closer to home, I am excited to have the Brazos River Authority speakers coming this month. This is an evening meeting to make sure everyone can get off work and attend. Water rights are an important issue and one that will continue well into the future, so we need to stay on top of what is happening.

Lastly, a quick reminder to make sure to vote on May 6th! These elections for our municipal positions and school boards, do not garner a lot of voters but are so very important. Make it a point to have your voice heard and **VOTE** in the May election. As always, thank you for everything you do to **Keep Texas Red!**

2ND VICE PRESIDENT OF MEMBERSHIP – Katherine Krska

Our membership drive continues. We are grateful for all the new members and everyone who has renewed. Reach out to our new residents and make sure they know that we are here. The growth in our community will easily lead to growth in our Club.

You do not want to miss out on our informational newsletter, the educational speakers and the legislative content. This is an important time in our Country's history and belonging to Salado Area Republican Women is a wonderful way to make an impact and be part of that history.

An application form is attached to this newsletter. Do not hesitate to complete it and mail it in! This is a group where the more the merrier is true. Be sure to invite your friends to join too!

3RD VICE PRESIDENT OF FUNDRAISING – Barclay McCort

Ladies, we are looking great for our Fine China Luncheon. President Howard secured underwriting of the \$1,500 room charge at Tenroc from U.S. Congressman John Carter. This is a huge contribution! In addition, Brenda secured a fantastic speaker, Steve Munisteri, an attorney who served as the chair of the Republican Party of Texas from 2010 to 2015. In 2017, Munisteri was appointed to the White House staff as Deputy Assistant to the President and Principal Deputy Director of the Office of Public Liaison. Now he serves as Senior Advisor to Governor Greg Abbott. He is a fabulous speaker!

More good news – Twenty-five volunteers have stepped up to host a table at the FCL. Twenty-five was our goal. Now your part is to bring in some fabulous auction items. We are hoping for some big-ticket items, such as trips, gift certificates, art, golf outings, etc. You may bring them to our meeting or give them to Nancy Norris (512-422-2233). I hope to see you at our April meeting where tickets and flyers will be available.

LEGISLATION

LEGISLATIVE UPDATE – Michele Hercules

March has been a VERY BUSY month for all our legislators!!

The Senate State Affairs Committee met to hear testimony on several bills of interest – including [SB175](#) (stop taxpayer-funded lobbyists), [SB921](#) (prohibit ranked choice voting), and [SB15](#) (protect women’s sports). All three passed out of Committee 7-3. On to the Senate floor vote!

The Senate passed [SB2](#) to restore penalties for election fraud back to felony status. Last session, a last-minute amendment changed it from felony to misdemeanor. We also need to convince the House (specifically Speaker Phelan) to pass it! SB2 was received in the House on 3/15/23.

On Thursday, the Senate State Affairs Committee took testimony on Senator Campbell’s [SB14](#) to protect children by stopping the gender modification of minors. At this time, the Committee has not yet voted on it.

[HB98](#) will be heard in the Youth Health & Safety Committee. This is a BAD BILL! We need people to testify against it and/or make online comments.

We’ve already seen school districts conducting “mental health” assessments on kids, tracking them, collecting data, and sometimes selling the data to outside groups. This bill wants to allow the school district to be a Medicaid provider for mental health services, which would allow them to monetize the mental health services they are providing.

The left keeps pushing schools to completely take over every aspect of children’s lives. We must not let them! Here is an excerpt from the bill-

Sec.A38.038.REIMBURSEMENT UNDER MEDICAID. The Health and Human Services Commission shall allow a school district to enroll as a provider under the medical assistance program under Chapter 32, Human Resources Code, to provide and receive reimbursement for the provision of mental health services to district students who are medical assistance recipients. The job of school districts is to educate children, not be their healthcare provider!

A packed public hearing on [HB900](#), to regulate books sold to or included in public school libraries, was held this month and is now pending in committee. Please pray with us for the passing of this bill to protect our children.

An anticipated hot debate on [HB 20](#) is expected. Thinking outside of the box, the bill would create a law enforcement unit based at the border that would have the authority to arrest, detain

and deter people crossing the border illegally and would oversee the construction and maintenance of physical barriers on the border. According to a summary of the bill by the speaker's office, the unit would eventually replace Texas National Guard soldiers and state troopers who have been deployed to the border as part of Operation Lone Star.

During Governor Abbott's School Choice Rally at the Capitol this month, with thunderous assurance, vowed the legislature would pass school choice bills this session. "The children will rise up because you are going to rise up." **SB8** (parental rights and public-school responsibilities regarding instructional materials and the establishment of an education savings account program) Please remind your representatives that this is one of our, very important, TX GOP Priorities!

AMERICANISM/CARING FOR AMERICA – Kate McKinley

Another thought statement/fill in the blank for April 2023--“*By planning today, I Can Care For America By*_____”. The Thought Statement will change each month, but please do not let that keep you from thinking on previous Thought Statements. Use these to give yourself time to reflect on your own behaviors, starting conversation with family and friends, meeting a new person in the grocery cashier line (!), sharing on social media, etc. You may even come up with your own Thought Statements to share with family/friends. I believe we can each find ourselves improved by our next elections. Many local school boards and municipal governments are having elections in May 2023. Election Forums/Debates will be occurring. Ready yourself and bring others to new thoughts on candidates, issues, and elections by attending these and reflecting on the Thought Statement.

Our SARW Executive Committee has agreed to donate \$100.00 to the Veterans Administration Voluntary Service (VAVS) at the Olin E. Teague VAMC in Temple , Texas. This was used for March 29th Vietnam Veterans Celebration. VAVS had a cookout in Harker Heights at Levin Park. Our donation has assisted in purchase of the Hot Dog, Buns, and Condiments.
